

New Road Primary School

Weekly Newsletter– 8th March 2024 (Week 22)

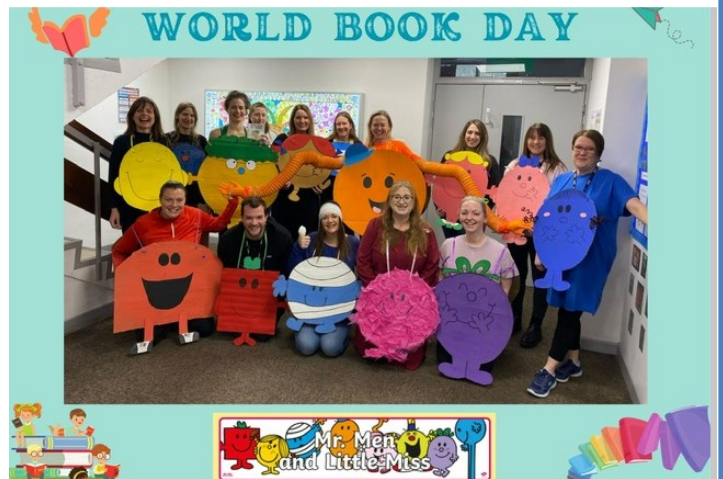

Active Homework: It's Walk and Wheel to School for the next two weeks so this weekend get on your scooter or bike to practice !!!

Weekly Update

What a great week we've all had in school. Our Reception children led a whole school assembly on Wednesday where they all talked about how special their Mum's were to them. They did so well to speak so confidently and articulately in front of everybody.

This week we have been celebrating books and how important they are to us and our learning.

Lots of children have been excited with their new book purchases from the Book Fair and they all looked fantastic on Thursday in their character costumes celebrating World Book Day.

Today is International Women's Day and our Year 6 children will be putting together a presentation that all the children will watch and we will upload it onto our website so you can all view it.

Walk and Wheel to School

11th—22nd March

It's that time of year again where we encourage you all to walk, scooter or cycle to school. We will be recording each day all the children who have travelled by foot or wheel to school. As always there will be a prize for the school that has the highest %. We won 2 years ago but came second last year so let's try and get that top position again.

Parking outside school

Please could we ask that parent's do not block access to Hillside View as this is causing a danger to pedestrians and other road users.

Thank you.
