### Year 5 Class Assembly

Well done to all the Year 5 children who led an assembly this week on the theme 'Friendship.' The children shared lovely messages on what friendship means to them along with singing and poetry reading. We have published the two poems written by Mia and Joshua on our website so you can view them if you were unable to attend the assembly. The sign singing was fantastic and the children performed it a second time during today's WOW assembly. Our next class assembly will be on May 25th led by our Year 3 children.

## Year 6 Parent Survey

Please find a link below which is for our Year 6 parents to complete a short questionnaire. This will allow a multi-group agency to look at and improve support for children through their transition from primary to secondary school.

Please ensure you take the time to complete this as your feedback is important.
