New Road Primary School

Weekly Newsletter - Week 6

Halifax Courier Front Page

For those of you who read the Halifax Courier please don't be alarmed by the front page news in today's edition. The feature is looking at the lack of funding for schools and includes a photo of New Road. Firstly, we are NOT in any danger of closing and the story is quite misleading. You may remember before our new Reception class arrived we had work done on the outside boundary wall. The funding for this came from the flood damage fund. This was the only repair work that was needed and we do not have any other flood damage to the school to fund. We are in a healthy financial state and there is absolutely no need to worry that we could be forced to shut. Sorry if this story has caused any unnecessary worry, we were not aware of the story and had not been contacted by the newspaper.
