

## New Road Primary School

Weekly Newsletter - Week 9

### What a Week !!!

Well we've all had quite an eventful few days in school this week and I'd like to thank you all for your support and co-operation throughout. I should receive the report from our Ofsted inspection in a couple of weeks which I will share with you all once I have it. Although I am not able to see comments or feedback from parents and carers I was told by the inspector that 100% of the text comments were positive, which is very unusual, so it's great to hear that you all appreciate everything we are all doing in school for your child/ children. Again we had an unusual start to the day yesterday with loss of electricity in the school and again you responded so positively. The staff turned the office into a 'call centre' as they took to their mobile phones to get hold of you as I had to make the decision to close school. It's week's like this that demonstrate what a great school New Road is, with staff, children and parents working so well together. Thank you for making our school the place it is.
