## Weekly Newsletter-12th March (Week 13 )

### We're Back !!!!!

Well it's been a long time coming but we are all finally back in school together and what a fantastic week we have all had.

The children have been great, it really is like they have never been away. I've been amazed at how easily everyone has fallen back into our school routines and how focused the children have been in their lessons.

Our children or should I say 'Scientists' have enjoyed getting involved in a whole school science challenge to celebrate Science Week. Some of the 'balloon protector' designs have been very creative and did a fantastic job in keeping their balloon from bursting so a very well done to all the children.

We have lots more exciting plans for the children to keep them engaged and enthusiastic about their learning.

Today we held our first whole school Celebration Assembly via Zoom so we could celebrate all the children's achievements together, our aim is to eventually open this to parents once we have worked out if this is possible.

Finally, and I know I've said it before but a huge thankyou to all of you, our parents and carers. Your support with the remote learning has been amazing and has helped maintain the children's positive attitude to their school work. We can't thank you enough, but let's hope it's the last you have to do. Mrs S Harwood

## Our School Birthday Celebration

Most of our children have now celebrated a birthday during the lockdown period so have missed out on how they would have normally celebrated with their friends and families.

To try and make up a little we are going to host one great big birthday celebration at New Road where all the children can have some fun and get to feel they have marked their special day.

On the last day of term Thursday 1st April we are inviting all the children to come to school dressed in non uniform and there will be fun and games throughout the day.

The children will remain in their class 'bubbles' enjoying lots of traditional party games. More information will be sent out nearer the time.
