Weekly Newsletter—30th April (Week 17)

Family Learning—Arts and Craft Activities.

Family learning will be running a virtual session which will be available to watch from Monday 31st May and you will have two weeks to complete the activities. You can enjoy making dreamcatchers, planting seeds, participating in a bean experiment and decorating a plant pot.

You will be supplied with all the resources and Denise Oukhaba will be available via phone to support you if you require any help.

We ask that you send in photos of what you have made and one family will receive a £15 voucher based on their creativity.

Remember Family Learning is very popular and spaces are limited so please return the completed slip to school that your child will have taken home today.
