Weekly Newsletter–14th May (Week 18)

Sowerby Bridge Snails

We all know how important it is to look after both our physical and mental well being and at New Road we ensure our children are given varied opportunities to look after both in a positive way. Some of you may be aware of the amazing group -Sowerby Bridge Snails who are based in our community. The 'Snails' are an inclusive running club for all ages and ability levels and their motto is 'We never leave a snail behind.'

The 'Snails' run a 'Couch to 5k' group and if the ease in Covid restrictions allow they will be starting their next group on Sunday 4th July at 10am for a 6 week period. To join this there is a usual cost of £20 per person which includes a T Shirt and Graduation event at the end, however, this cost will be significantly reduced for any parents or family members from New Road who would be interested in joining.

For further details and if you are interested can you please email me in the first instance –
head@newroad.calderdale.sch.uk

It would be great to get involved and children 9 years or above can also join in,
I look forward to hearing from you.

Science Fair at New Road

Science Fair

2021

Ogden Trust Partnership

Your child will have brought home a letter today regarding our first Science Fair in July. This will be a fantastic opportunity for the children to investigate an area of Science that interests them and that they can share with others. A presentation will be uploaded on to our Facebook page which explains further what we require the children to do. A power-point is now on our website under the tab More and then in Resources and activities. We hope you will support your child with this project and celebrate the amazing wonder of Science. It would also be great for New Road to win the Trophy too !!!!
