

New Road Primary School

Weekly Newsletter–21st May (Week 19)

School Dinners

I recently told you that we were looking forward to working with a new school dinners provider and our children were going to be involved in tasting the new meal choices. Unfortunately, due to unforeseen circumstances they can no longer provide our meals but rather than remain with our current suppliers we have secured a new agreement with Scout Road Primary School.

We are delighted with the service they will be able to offer us along with the quality of food our children will enjoy each day. Scout Road currently supply to two other local schools and feedback from them has been amazing.

We will be sending out a letter next week regarding the new menu choices from September along with some slight changes to how ordering school lunches will work. We will involve the children in sampling the food and we also hope we will be able to invite parents in at some point next academic year so you can enjoy a lunchtime experience with your child once restrictions allow.

Science Fair at New Road

Science Fair

2021

Ogden Trust Partnership

Your child will have brought home a letter today regarding our first Science Fair in July. This will be a fantastic opportunity for the children to investigate an area of Science that interests them and that they can share with others. A presentation will be uploaded on to our Facebook page which explains further what we require the children to do. A power-point is now on our website under the tab More and then in Resources and activities. We hope you will support your child with this project and celebrate the amazing wonder of Science. It would also be great for New Road to win the Trophy too !!!!
