

New Road Primary School

Weekly Newsletter–28th May (Week 20)

End of Term Update

What a busy term we've all had, I can't quite believe that when we return in June there will only be 7 weeks left of this academic year. I'm hoping just like all of you that we are getting closer to 'normality' and we can start enjoying events back in school where we can all be together again.

A few things to mention: have fun supporting your child over 1/2 term with completing their Science Fair project, if they are taking part.

If you are interested in joining the PTFA just send me an email so I can collate all interested parents and carers and I'll get back to you all next term.

Your child should have taken home all the resources needed for our Virtual Family Learning event and the videos are now uploaded onto our website.

I will update you all next term on all our exciting plans with New Road linked to Active Calderdale as a Trailblazer school and what this means for our children.

Have a wonderful and restful week and I'll see you all on 7th June, Mrs Harwood .

Science Fair at New Road

Science Fair

2021

Ogden Trust Partnership

Your child will have brought home a letter today regarding our first Science Fair in July. This will be a fantastic opportunity for the children to investigate an area of Science that interests them and that they can share with others. A presentation will be uploaded on to our Facebook page which explains further what we require the children to do. A power-point is now on our website under the tab More and then in Resources and activities. We hope you will support your child with this project and celebrate the amazing wonder of Science. It would also be great for New Road to win the Trophy too !!!!
