Weekly Update

Wow what a week, where do I start. Wellbeing Week has been fantastic with so many activities to support the children understand ways they can look after themselves both physically and mentally.

Today we not only connected with our Federation school—Copley but we all showed our support to the Ash Green Primary School community by raising money in Dance-a-thon.

We have been blown away by all your generosity with the sponsorship money collected, we will let you know the total money raised next week.

This money will help Ash Green fund some fantastic events and purchase some new resources for their children to enjoy following such a difficult time for them all.
