Weekly Newsletter-11th March (Week 22)

Talk Homework: As it is Science Week next week, what do you think has been the best invention ever and why?

Weekly News

This week we held our first Diversity Week which has been fantastic and very thought provoking for the children. Each class were given a new book which helped generate discussions on different issues. KS2 were inspired by the visit from Razan, the founder of Yorkshire Cheese, who shared her personal story of how she was forced to flee Syria in 2012. She taught the children that with determination and positivity you really can achieve any-

thing. Our girls took part in the 'Biggest Ever Football Session' where 90,000 girls from schools across England joined in with the FA's 'Let Girls Play' campaign. Our Year 6 children have put together a short video which is on our website linked to International Women's Day supporting the theme Break the Bias. Next week is Science Week and our Year 6 will be going on their residential trip so another busy week ahead!!
